WHAT THE WORLD LOVES ABOUT CANVAS

- The Canvas LMS is open, customizable, reliable, mobile, time-saving, and born in the cloud. And, most importantly, it’s easy to use, so it gets used. That’s why it continues to be the fastest-growing LMS in the world.

- Canvas Studio is the next generation of online video learning. Drag-and-drop functionality and the ability to embed quizzes and easily grade directly in the video take interactivity and engagement to new levels. Start turning content into conversation.

- Canvas Catalog streamlines course publishing and registration. It’s a simple, modern, and effective way to promote your courses and push your brand to new eyes.

THE PLATFORM TO GROW ON

Through its unwavering dedication to education, Canvas has earned a reputation as the world’s most trusted learning platform. We’ve created an integrated edu-ecosystem that brings together the tools faculty and students need and use most. And we’ve connected millions of instructors and learners at more than 4,000 educational institutions and corporations across the globe.
CANVAS IS OPEN, 24-7

99.9% uptime doesn’t just happen. But Canvas LMS deftly handles millions of concurrent users and millions of course migrations with virtually zero downtime. From the world’s most trusted LMS comes an array of deliberate teaching and learning tools built on the same principles of openness, resulting in awesomely reliable products that work and that simply get used.

INTEGRATION. ADOPTION. COMMUNITY.

Canvas isn’t just about innovating with our integrated open-source platform—it’s also about creating a better teaching and learning experience for everyone. With Canvas, “better” begins with a passionate community of educators, a commitment to open standards, and cloud-native hosting for industry-best uptime and security. It continues with an intuitive interface, easy-to-use tools for engagement and collaboration, and proven learning outcomes that would make any student, teacher, administrator, or parent proud. In short, we integrate more easily, drive adoption faster and deeper across campuses, and have the passionate and supportive community to prove it.

“Canvas has really changed the way I’ve thought about using an LMS.”
