Dear IGP Student,

Congratulations on your successful completion of the GEAPS-Kansas State Distance-Learning course TEST.

We hope that the course was useful and interesting, and that your efforts were both personally and professionally rewarding. One of our main goals at GEAPS is to provide top-quality educational opportunities for professionals in the grain industry, and so we sincerely appreciate your interest, effort and participation.

As you may know, the GEAPS-Kansas State University Distance Education partnership offers more than 20 online courses that lead to formal credentials recognized by the grain industry and academia. All courses focus sharply on GEAPS' top educational priorities, defined by our members, to improve their job skills and knowledge. We hope you'll continue to be interested in taking part of our programming, and if you need additional information, please do not hesitate to contact our coordinator, Katya Morrell, at katya@geaps.com.

Again, congratulations on your achievement!
