CANVAS TIPS AND TRICKS TO MAKE YOUR LIFE EASIER

Presented By: Laura Browder & Ryan May, Austin ISD

Canvas Skill Level: ALL

Session Description: Giving Effective Feedback in Canvas: Wondering how to make the best use of your time and use the tools within Canvas to provide timely and ongoing feedback? Come experience and explore a variety of ways professional learning facilitators, teachers, and students might use Canvas to give and receive formative assessment feedback.

YES, THEY CAN-VAS, CANVAS AND THE LITTLES

Presented By: Manuel Martinez & Danielle Rivera, Austin ISD

Canvas Skill Level: ALL

Session Description: In this session participants will have the opportunity to explore examples of how teachers across Austin Independent School District have used Canvas in early childhood (Pre-K-2nd) as a window to tell the story of teaching and learning in their classrooms. Canvas has also allowed teachers to design such story in just one place.

THE BUILDING BLOCKS OF AN EFFECTIVE ONLINE COURSE

Presented By: Jim Gonzales, Region 13 ESC

Canvas Skill Level: Intermediate

Session Description: Designing and developing a brand new online course is no small task. Join ESC Region 13 as we cover essential components for building effective online courses. Learn how to welcome your learners, align instruction, and wrap-up your course.

10:50 -
11:35 AM

NOT YOUR DADDY'S CANVAS COURSE

Presented By: Howard Martin, Austin ISD & Danielle Rivera, Austin ISD

Canvas Skill Level: ALL

Session Description: Canvas content design tools provide a variety of course-structuring opportunities and engaging activities to push past teacher courses that provide minimal interaction. Open the door to an online course that connects students to the in-class learning experience and authentic application of digital resources.

GEAR UP YOUR COLLEGE & CAREER READINESS W/ CANVAS

Presented By: Elizabeth Severance, Austin ISD

Canvas Skill Level: Beginner

Session Description: This session will provide an overview of the way that GEAR UP Austin, a college readiness grant in AISD, has utilized Canvas to reach more students, families, and teachers.

ENGAGING STUDENTS THROUGH INTERACTIVE VIDEO

Presented By: Trevor Enders, Instructure

Canvas Skill Level: ALL

Session Description: Create, store, and share videos within your district and school, safely and securely. With time-stamped commenting and in-video quizzing, video is no longer passive but a collaborative, engaging learning experience.

PM

BOB ROSS-ING YOUR BLEND: TIPS AND TRICKS FOR BEAUTIFYING YOUR BLEND SPACE

Presented By: Josephine Skaer, AISD

Canvas Skill Level: Intermediate

Session Description: Let's face it: BLEND is ugly. The default of BLEND's interface is text-dominated, boring, boxy and is sure to put anyone to sleep. If you are looking for tips and tricks to spruce up your site with images, to build your homepage, and to beautify some aspects of your site, then this session is for you! This session will allow you to dip your paintbrush into the colorful palette of options in BLEND by giving you a few BLEND basics and, hopefully, some time to create. Let's Bob Ross this! There are no mistakes, just happy accidents.

ROLLOUT, NOW WHAT?

Presented By: Mallory Shackelford, Dripping Springs ISD

Canvas Skill Level: Beginner

Session Description: Confessions of a real-life Canvas roll out: the good, the not so good and the ugly. What you need to know to do it right!

FROM DATA COLLECTORS TO DATA USERS

Presented By: Sanjin Kolovrat, Instructure

Canvas Skill Level: ALL

Session Description: Join us for an interactive presentation as we take a deep dive into innovative tools that deliver meaningful, actionable data so educators can target interventions and adjust instruction when it matters most. You'll see how these solutions take formative and benchmark assessment to the next level, make curriculum planning a snap, and supercharge PLCs like never before.

Personalizing Professional Learning with Canvas

Presented By: Sarah Dille, Austin ISD & Amber Rinehart, Austin ISD
Canvas Skill Level: Intermediate

Session Description: Explore how Austin Independent School District is building teacher capacity in Canvas through growing teacher leadership in blended learning design. AISD's Leadership Pathways program awards micro-credentials for teachers to develop their expertise in designing for transformative learning in Canvas. Hear facilitators share their experiences from the first two years of implementation with teachers and identify next steps and lessons learned.

Family in Community

Presented By: Kenneth Rogers, Canvas Coach / Community Advocate

Canvas Skill Level: ALL

Session Description: Do you have a lingering Canvas question? Are you wondering what's in that next great Canvas release? Are you stumped by an issue that you just can't fix? A friend is willing to help, but family is always there, willing to help unconditionally. Join over 500,000 Canvas users in supporting each other both in and out of the LMS.

Reinventing ePortfolios as a Win-Win For Students and Educators

Presented By: David Aguigua, Instructure

Canvas Skill Level: ALL

Session Description: Join us for a demonstration of the badging/skill certification and ePortfolio tools in Portfolium. You will see how the Portfolium platform can increase college and career readiness for all students, allow for skill verification/certification for students and staff and bridge the skill awareness gap.
