Canvas Admin Launch Course

Are you or a team member a new Canvas Admin?

Our **Canvas Admin Launch Course** walks you or your new team member through everything a new Canvas admin needs to know and do to be fully-ramped. It's an essential element of a smooth transition, and our way of making sure no key item gets missed.

Whether you are a brand-new Canvas admin, or you are still settling in from a transition that took place months or years ago, we invite you to go through the course to make sure all potential gaps are filled. You can complete the course at your convenience and pace. It should only take an estimated 30 minutes to complete.

And to recognize your efforts, we'll award you The Canvas Launch Badge and send some Canvas swag your way to remind you that you've 'arrived.'
