Math 7

The four illustrations are arranged in a 2x2 grid. Each illustration features a character with a thought bubble containing mathematical symbols (χ , δ , π , α , β). The first illustration shows a character daydreaming with a thought bubble containing χ , δ , π , α , and β . The second illustration shows a character thinking with a thought bubble containing χ , δ , π , α , and β . The third illustration shows a character sleeping with a thought bubble containing χ , δ , π , α , and β . The fourth illustration shows a character studying with a thought bubble containing χ , δ , π , α , and β .

Welcome!

My name is Mrs. Williams and I will be your teacher for the school year for Math 7. Click on the pictures below to learn more about the class and how to reach me.

Assignments are weighted by group:

Group	Weight
Assignments	40%
Discussions	40%
End of Course Assessment	20%
Total	100%

☒ Calculate based only on graded assignments

You can view your grades based on What-if scores so that you know how grades will be affected by upcoming or resubmitted assignments. You can test scores for an assignment that already includes a score, or an assignment that has yet to be graded.

[illegible]

Fill in the spaces with facts about yourself. Please write in complete sentences. All of the facts must use a mathematical expression. Be creative! An example is done for you.

What is your favorite breakfast food?

I like to eat $10 \div 5$ eggs with $1 + 1$ pieces of ham for breakfast.

What is your favorite breakfast food?

How long does it take you to get to school in the morning?

What is your favorite TV show?

How old are you?

Do you have any brothers or sisters?

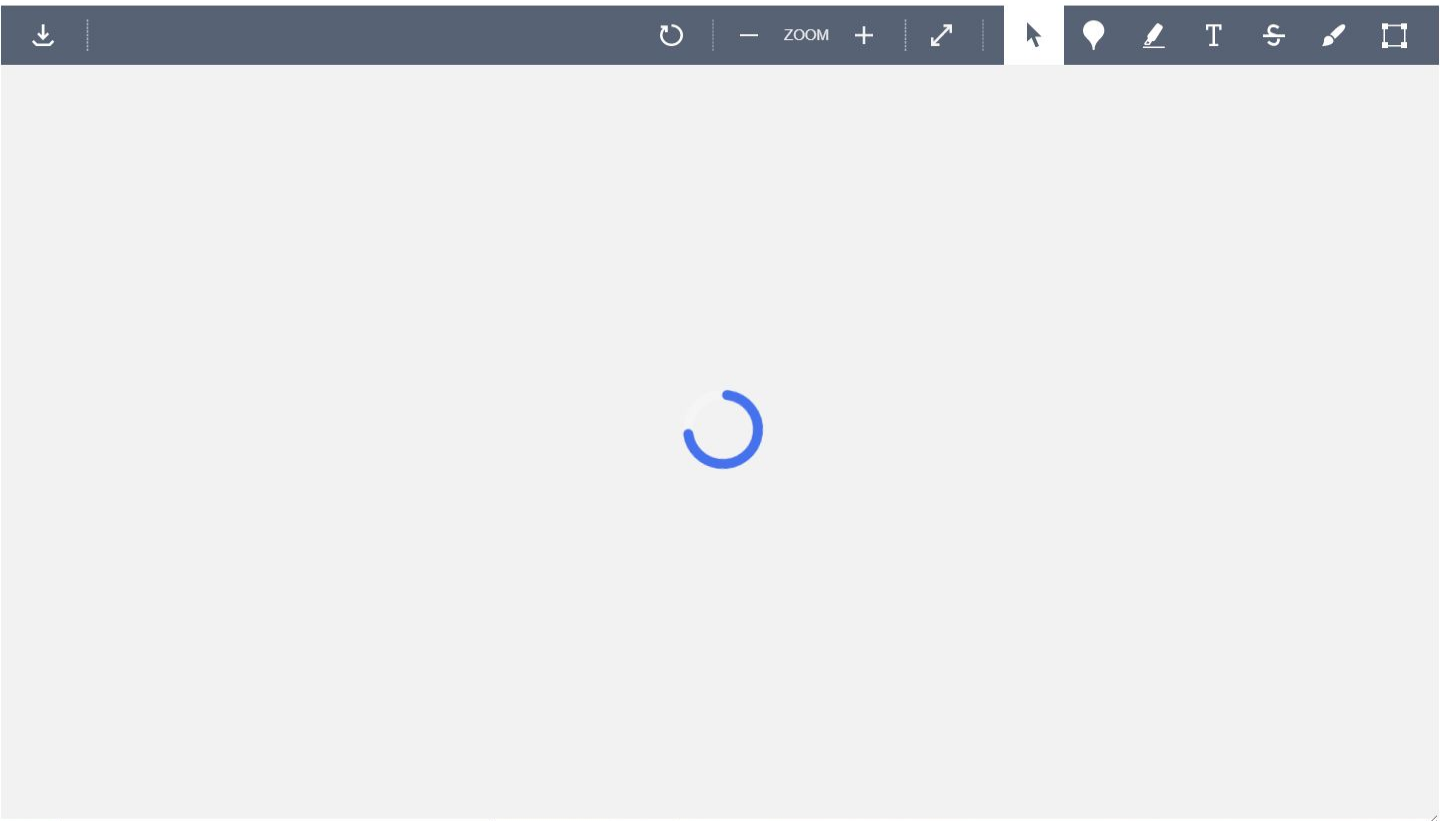

What school did you attend previously?

If you could go on a dream vacation, where would you go?

What are you most excited about this school year?

Do you have any pets?

What do you like to do outside of school?
