

Transforming Canvas VET Experiences for Tomorrow

VE&T User Group 2023

Building a Robust Platform for VET

How can I tailor my instance to reach my educational vision for today and build for future enhancements?

Administration

Instance setup

SIS IDs: Administration

What are they?

- **Unique code to identify elements in Canvas**
- **Bulk management of Canvas components**
- **Key Components:**
 - user_id,
 - course_id/section_id,
 - term_id,
 - account_id
- **Provided automatically through *most* VET SIS providers**

Benefits:

- **Status Management**
 - Subscription Management (Conclude Users & enrollments)
 - Course Management (Enrolment & Course Status)
 - Access Dates (Term, Course, Sections)
 - Role Management (admins and course enrolments)
- **Reporting/Search Criteria:**
 - Admin Analytics (New)
 - Admin Reports
 - Course Search
 - People Search
 - Gradebook Filters

Terms/Subaccounts: Administration

What are they?

- **Terms: Represent a period of time**
- **Subaccounts: Differentiate Canvas into:**
 - Geo
 - Organisation
 - Departments
 - Education Offerings
 - Corporate Clients
 - Your choice

Benefits:

- **Permission Management**
 - Subaccount admin access
 - Course role access
- **Reporting/Search Criteria:**
 - Admin Analytics (New)
 - Admin Reports
 - Course Search
 - People Search
- **LTI application**

Outcomes: Administration

What are they?

- Outcomes allow Admins and Teacher/Trainers/Assessors to track mastery in a course(s)
- Compare items across multiple assessments and assessments methods
- Convert Training Package details into reportable items across multiple assessment types
- Bulk upload available

Benefits:

- Root account access - cascades
- Assessments Use:
 - New Quizzes ([Quiz](#) or [Question](#))
 - Assignments (Rubric)
 - Discussions (Rubric)
- Marking:
 - [Learning Mastery Gradebook](#): Progress against outcome vs mark
 - [Rubrics to help assessors with marking](#)
 - Customise Mastery Scales
- Reporting:
 - Outcome Export (Account Report)
 - [Outcome Analysis Report \(NQ\)](#)

Letter Grades: Administration

What are they?

- A grading scheme is a set of criteria that measures varying levels of achievement in a course

Benefits:

- **Product Enhancements**
 - Letter Grade Only functionality
 - Removal of numeric values from specific course roles in Canvas

Teachers, Trainers, Assessors & Course Designers

Users Exeperience

New Quizzes: Transition

What is it?

- **New quizzing engine**
- **Enhanced student experience and quizzing alternatives**
- **Transition or rebuild?**
 - Is this the right time to reimagine quiz assessments within your organisation?
- **Item Banks for quiz sharing at scale**

Benefits:

- **Product enhancement exclusive:**
 - Flexible marking
 - Mark by Student or
 - Mark by Question (May 23)
 - **Build on last attempt (H2 - 2023)**
 - **Letter Grade Only functionality (Q3 - 2023)**
- **Outcomes**
 - Individual quiz question alignment
- **Stimulus questions**
- **Built in safeguards to retain original attempts**
- **Individual Course Pacing (H2 - 2023)**
- **Alignment Summaries (H2 - 2023)**

Gradebook/Markbook: Evolve

What is it?

- **Gradebook:**
 - View students progress in a course via assessments
 - Message students based on assessment criteria
 - Identify students falling behind

Benefits:

- **Product enhancements:**
 - Submit on Behalf of Students (Live)
 - Enhanced Gradebook Filters
 - Increased filtering options
 - Save custom filters for each course - help assessors see what they only need to see
 - Letter Grade Only functionality (Q3 - 2023)
- View Unmarked as ZERO in markbook (Live)
- Apply Score to Unmarked (Live)

Speedgrader

What is it?

- SpeedGrader allows you to view and grade student assignment submissions in one place using a simple point scale or complex rubric
- Drive greater interaction through Speech to text and/or Video feedback
-

Benefits:

- **Product enhancements:**
 - Emoji's
 - Assignment Enhancements - Student
 - Provide feedback per assignment attempt not per assignments
 - Allow students to review all historic attempts
 - Course Pacing Enhancements
 - Per section and per individual student with Assignment Enhancement Students
 - Comment Library
 - Assessors can save canned responses for feedback

Feature Updates

User Group 2023

Feature Options

- [Admin Analytics \(NEW\)](#)
- [Canvas Data 2](#)
- **NQ - RCE returns**
- **NQ - Grade by Question in SpeedGrader**
- **Gradebook - Sort Assignments by Excused Submissions and Unposted Grades**
- **RCE Icon Maker - Save Button Text Update**
