Draft Coach

Meet students where they work

Draft Coach helps foster writing and research skills by giving students instant feedback to inform self-guided revisions while they write in Google Docs and Word on the web.

- **Address unintentional plagiarism early on** 1

  Students review their drafts for matches with Turnitin's comprehensive content databases.

- **Improve citation skills** 2

  Students quickly identify missing references and citations.

- **Encourage learning, not just checking** 3

  Draft Coach offers in-depth guidance on how to address issues surfaced by citations and similarity checking.

We're with you every step of the way

Make the most of your Turnitin in Canvas experience with customized implementation plans, onboarding and training schedules, and usage consultations throughout the year.
